

Fox Cities United Way Youth Board hosts local clothing drive

Fox Cities United Way Youth Board Clothing Drive 9/20/16 (WLUK)

by Lauren Kalil

High school students on the Fox Cities United Way Youth Board are teaming up to make a difference in their community.

Today through Friday, they will be holding a clothing drive each day at Xavier High School.

Last week they held a clothing drive at Kimberly High school.

Students that donate a full plastic shopping bag of clothes will receive one ticket towards a raffle.

Those who donate a full large garbage bag will receive 10 tickets for the drawing.

Winners will be chosen on Monday, September 26th.

UWYB members will then organize a clothing sale, where they will sell the items depending on the quality and article of clothing.

Shoppers will be able to receive a discount on their purchase if they donate a nonperishable canned food.

All of the money will be donated to The Boys and Girls Club while the canned goods will go to the Salvation Army.

The remainder of the clothes will be given to the Community Clothes Closet. Lauren Kalil was live at Xavier High School this morning seeing how the drive has been going so far.
