

UNITED WAY FOX CITIES FOCUSED FUNDING PRIORITIES

Education

Focus on Early Learning:

- Enhance and promote quality child care.
- Promote community and corporate awareness on the importance of birth-to-five education and the economic impact of school readiness on the community.

Focus on Youth Development:

- Provide positive youth development and youth activities.

Focus on Adult Learning and Literacy:

- Increase literacy among diverse populations.

Income

Focus on Housing:

- Improve availability and access to safe, adequate shelter and affordable housing.
- Improve availability of and access to affordable, civil legal services for low-income individuals and families.

Focus on Sustaining Employment:

- Improve basic academic and language skills, financial literacy, and employment skills.

Health

Focus on Access to Health Care:

- Improve access to and delivery of mental health services.
- Improve access to physical health and dental care for the uninsured and under-insured.

Focus on Healthy Eating and Physical Activity:

- Promote healthy lifestyles.
- Improve availability of and access to healthy food and essential personal care items.

Focus on Safe Home and Community:

- Prevent intimate crimes (domestic, sexual and child abuse) and support victims.
- Support families with children to strengthen parenting and life skills.
- Improve access to transportation.

Focus on Healthy Individuals and Families:

- Promote options for older adults, families and caregivers to successfully adjust and adapt to changes in later life.
- Promote skills enhancement and independent living for persons with disabilities.
