

United Way Fox Cities

United Way Fox Cities helps people get back on their feet.

A United Way 2-1-1 caller from Winnebago County shared, “I was really scared and not sure what to do. I lost my job and for the first time ever, couldn't pay my rent. A friend told me to call United Way 2-1-1. I called and the person I spoke to was patient and reassuring and helped me figure out where to start. With the referrals I was given, I got help paying my rent and actually found another job! Thank you so much, 2-1-1, for listening.”

United Way 2-1-1 is a free, confidential information and referral phone number anyone can call, any time of day, seven days a week to connect to health and human services. In 2016, our United Way 2-1-1 call center answered nearly 12,000 calls in its 10-county service area.

UNITED WE FIGHT. UNITED WE WIN.
