Had a great time helping pack Buddy Bags for the [Grand Chute Police Department](#) this morning! #TRatNation

On Monday, the T-Rats mascot, Fang, helped load the bags into Grand Chute police cars at Fox Cities Stadium.

Each bag has inside a book, a coloring book with crayons and a stuffed animal.

"It's a huge help. We respond to events all the time like this unfortunately; a child that may not be directly involved with where they witnessed something traumatic, they're scared, they're afraid, they don't want to talk, they're crying; this is something happy that the officer can present to them and take their mind off

what's going on," said Travis Waas of the Grand Chute Police Department.

Grand Chute Police will hand out the backpacks to children as needed.
