MENASHA SCHOOLS

Jefferson/Nicolet Elementary:

Tony Gonzalez and Susan Perri from the United Way delivered free books to all pre-K, kindergarten and first-grade students at Jefferson on Feb. 21. The United Way delivered more than 2,200 books to all pre-K to first-grade students in the Menasha elementary schools, as well as 4K students at St. Mary Elementary — approximately 737 students. The project was made possible through the #GivingTuesday campaign and a \$2,000 match donation from Thrivent Financial.
